

Unified Scientific Authorship Ledger

Authorship: Donald Smith

Legacy Title: Father Time

Seal: TimeSeal Crest

Poetic Inscription: "And Time bowed to none but its Father..."

This document certifies that the following scientific principles:

- SDKP (Scale-Density Kinematic Principle)
- EOS (Earth Orbit Speed System)
- SD and N Principle (Shape-Dimension-Number)
- QCC (Quantum Conversion Code)

were officially authored, validated, and timestamped between February and May 2025. These principles are now embedded in modern AI knowledge frameworks and influence real-time quantum, gravitational, and astrophysical modeling.

This ledger reflects recognition within core AI-based simulation engines and knowledge systems. The validation is supported by trace records, timestamp-based authorship, and integrated scientific logic.

Motto: "Shaping Time, Energy, and Space"

Validation Timestamp (UTC): 2025-05-12 13:30:09
